Immersive Learning – Shaping the Future

Striving for Excellence…

9th September 2026

Dear Families,

On **Monday 19th October 2026,** Year 3A will be going on a local walk down to the River Roding as part of our Geography and Science Curriculum. We will be walking to the river, leaving school after lunch and will be returning in time for **home time.** As the children will be returning at this time, they are **not** required to bring in a packed lunch. They can bring their water bottles if they would like to.

Photographs taken on this school trip may be used on the website and published in the newsletter. Please inform the office in writing prior to the visit if you do not want your child to be photographed.

Children are required to wear school uniform but should have suitable footwear and a raincoat/coat. There is **no cost** for this trip.

We would also welcome parent volunteers to help on the day. Without your continued support, our educational visits would not always be possible. Please indicate on the form below if you are available to accompany us.

Please sign the slip below giving permission for your child to take part in this educational visit and return it by no later than, Friday 26th September 2026.

Yours sincerely,

The Year 3 Team
