Immersive Learning – Shaping the Future

Striving for Excellence…

22nd September 2026

Dear families,

On Tuesday 3rd November 2026, 4S will be visiting the Science Museum in London. We will be travelling by London Underground from Woodford Station. Your child should arrive at school at the normal time, and we expect to return to school by 15:15.

During our visit, we will be exploring the "Wonderlab: The Equinor Gallery" and other exciting exhibits to support our current Science topic on electricity. The children will have the opportunity to explore how circuits work and discover how electricity is used in everyday life.

Your child should wear full school uniform and sensible shoes. They will need to bring a packed lunch and a drink (no glass bottles, fizzy drinks, or cans, please—for safety reasons) in a plastic disposable bag clearly labelled with their name. If your child receives a free school meal, a packed lunch will be provided. Please indicate below if you would like the school to provide this.

We would also welcome parent volunteers to help on the day. Without your continued support, our educational visits would not always be possible. Please indicate on the form below if you are available to accompany us.

Please return the reply slip on the reverse of this letter to your child's class teacher no later than Tuesday 20th October 2026.

Thank you for your continued support.

Yours sincerely,

The Year 4 Team
